Get Involved in Giatec's 2025 Net Zero Construction Conference

Join Giatec and other world-class industry leaders for our next annual virtual event, the 2025 Net Zero Construction Conference (NOCC)! This event brings together experts in sustainable construction, concrete, and technology to discuss the trends that are paving the way for a net zero future. Past attendees have heard from industry leaders such as Heidelberg Materials, Kiewit Engineering Group, NRMCA, and many more! Our dynamic virtual platform enables global attendees to connect, collaborate, and share forward-thinking ideas, collectively shaping a sustainable future for the construction industry.

A sponsorship of this event would be a prime opportunity to brand your organization as a leader in sustainable construction and technology by demonstrating your commitment to advancing and sharing knowledge on these practices. Join us in inspiring and informing today's industry professionals about the future of sustainable infrastructure.

Don't miss this amazing opportunity to be a part of this virtual event.
Reserve your spot today!

For more information on how you can get involved and more details on the conference please visit <https://netzeroconstructionconference.com/>.

Here are some of the ways we're driving traffic to sponsor booths in the expo hall

Social Media

We will leverage our social media channels to create excitement and drive attendees to your booth with engaging posts, sneak peeks, and exclusive incentives, all aiming to increase interest and engagement at the event.

Company Profiles

Sponsors will have an exclusive profile on our website, showcasing their unique offerings and expertise. This dedicated space allows you to highlight your brand, share your story, and attract visitors who are specifically interested in learning more about your services.

Orientation in the Expo Hall

We will be hosting a dynamic pre-event orientation in the expo hall to ensure attendees are familiar with your booth location and have the opportunity for a quick introduction to your team and innovative solutions.

Dedicated Expo Times

Take advantage of dedicated expo times where your team will captivate attendees with live demonstrations, interactive Q&A sessions, and engaging presentations. These exclusive time slots are designed to maximize your visibility and foster meaningful connections with potential clients.

Raffle / Scavenger Hunt

We will organize an engaging raffle and scavenger hunt with attractive prizes to draw attendees to your booth. These activities are designed to increase booth traffic and provide fun, interactive ways for participants to engage with your brand.
